Groundwater Discharge Permit (DES #19805088-T-001)  
Waiver Approval (DES-SEP-WV-02-003)

Dear Mr. Joubert

As the result of the submission of your letter dated February 11, 2003 for Joubert's Septage Lagoons, the Department of Environmental Services ("DES") has determined that the violations identified in Letter of Deficiency #WSEB 03-001, dated January 10, 2003, have been corrected. DES appreciates your cooperation in resolving this matter.

As requested in your letter, the issue of as-built site plans has been postponed until you reapply for the Septage Facility/Groundwater Discharge Permit. Please note that this Letter of Compliance does not affect your obligations to obtain a Septage Facility Permit, Groundwater Discharge Permit, or perform all requirements set forth in the existing permit conditions.

If you have any questions concerning this Letter of Compliance, please contact me by phone at (603) 271-2854, or by e-mail at [aleach@des.state.nh.us](mailto:aleach@des.state.nh.us).
